

March GCC Message

The 2008 Show Season opened with a big bang at our Annual Do-Over Show, held on March 9th at Patty and Larry Couch's Rocking C Stables in Inola. Despite some inclement weather the week before the show, the day of the show was beautiful and riders turned out in record numbers for judge Lee Ann Alf to judge and critique their rides. Our sincere thanks to Patty and Larry for a fun and educational day. It was great to see so many junior riders competing. They are, after all, the wave of the future. It's wonderful that we'll have competent individuals to take up where we leave off.

With the weather improving and the extra hour of daylight in the evening, many of us will be able to finally break out of our winter doldrums and start enjoying our horses again. Get outside, groom that shedding horse, saddle up and just enjoy the sunshine. It is Spring-time in Oklahoma!!
